Hiroyasu Satoh

Address (Office)

Nippon Institute of Technology

4-1 Gakuendai, Miyashiro-machi, Minamisaitama-gun, Saitama Pref. 345-8501 JAPAN

Phone: +81-480-33-7972

Email: hiroyasu@nit.ac.jp url: https://shiroyasu.github.io/

Born: September 15, 1976 — Abashiri, Hokkaido, Japan

Nationality: Japanese

Current position

Associate Professor, Nippon Institute of Technology

Areas of specialization

Differential Geometry in Mathematics

Appointments held

2004-2008 Research Associate, University of Tsukuba, Japan

²⁰⁰⁹ Temporary Lecturer, Shibaura Institute of Technology, Japan

2009-2013 Assistant Professor, Tokyo Denki University, Japan

2014-Now Associate Professor, Nippon Institute of Technology, Japan

Education

B.A. in Education, Tokyo Gakugei University, Japan M.A. in Science, University of Tsukuba, Japan

Ph.D in Science, University of Tsukuba, Japan

Membership of professional bodies

Member, Mathematical Society of Japan

Member, Japan Society for Symbolic and Algebraic Computation

Member, Mathematics Education Society of Japan

Grants, honors & awards

Grant-in-Aid for Young Scientists (B), Research Project Number 15K17545
"Geometry of barycenter map on Hadamard manifolds admitting Busemann-Poisson kernel"

Teaching

Linear Algebra
Calculus
Differential Equations
Vector Analysis
Complex Analysis
Probability and Statistics

Service to the profession

Information System Operation Committee Member, Mathematical Society of Japan
Examination Committee Member of Civil Service Examination (Examination for Comprehensive Service), National Personnel Authority, Government of Japan

Certifications and Licenses

Information System Operation Committee Member, Mathematical Society of Japan
Japanese junior high school teacher's license (mathematics)
Japanese high school teacher's license (mathematics)
